The Honorable Tom Cole
Chairman

The Honorable Rosa DeLauro
Ranking Member
House Appropriations Committee
Washington, D.C. 20515

Dear Chairman Cole and Ranking Member DeLauro:

I am requesting funding for the NeoMed Center Juncos New Ambulatory Clinic-Construction and Expansion Project, in Fiscal Year 2027. The entity to receive funding for this project is the NeoMed Center, Inc., located at P.O. Box 1277, Gurabo, PR 00778. The funding would be used to support construction, renovation, and expansion of the NeoMed Center Juncos new outpatient clinic to increase access to care for vulnerable and low-income communities. The project is an appropriate use of taxpayer funds because this project improves access to essential healthcare in a medically underserved area, strengthens infrastructure, and reduces health disparities.

The project has a federal nexus because the funding provided is for purposes authorized under the Public Health Service Act.

I certify that neither I nor my immediate family have any financial interest in this project.

Sincerely,

A handwritten signature in blue ink that reads "Pablo J. Hernández".
